Fits McCormick
lemon extract
bottle

Fits glass light bulb

Fits giant glue bottle

Fits contact solution
bottle

Felix Felicis

Luck Goo

Ingredients

- 4 oz dragon claw ooze
- 1/2 T powdered occamy egg shell
- 1 T squill bulb juice
- 2-3 drops of chameleon blood
- A dash of pearl dust

Directions

1. Add the dragon claw ooze and powdered occamy egg shell to your cauldron and mix well.
2. Add food coloring and pearl dust and mix well.
3. Once your potion has turned light yellow, add the squill bulb juice and mix well.
4. When your potion begins to pull away from the sides of the cauldron and it becomes difficult to stir, pour the Luck Goo onto a flat surface and knead well until the consistency becomes smooth.
The goo will become easier to mix as it warms.
5. If the goo is too sticky, add more squill bulb juice (1/4 T).

How to Use

- To activate, knead the goo for ten minutes.
- Luck will last approximately one hour.
